Q.6. Answer the following questions (ANY SIX) (6X2=12 MARKS)

i) Because games & sports are the harmless way to resolve the conflicts between the countries and no wives become widows, no children become orphaned. To some extent we agree with this as practically it is not possible.

ii) Meghana & Almas both were not rescued by Helicopters, they both lost their family, they both could survive due to floating on the wooden door or a log.

iii) The British passed Regulation act III under which they put any Indian into jail without trial in the court, they ruined the Indian Industry and the weavers, carpenters became jobless, they imposed heavy taxes on the poor Indian farmers, the landlords lost their lands under new British policies.

iv) The message of the poem "Geography Lesson" is that God has given us such a beautiful earth with valley , sea, water and all resources but why his children build walls across cities, kill each other, Why don't they live with the sense of Brotherhood.

v) No, Velu was not happy to get the new job. Because it was a dirty job of rag-picking while at his village, he would do a good job like weeding in the farms, grazing cows etc. which was far better than the rag-picking work.

vi) The lazy and rude camel got a hump on his beautiful back that he was proud of and it looked ugly.

vii) The giant is called selfish because he had built a high wall across his garden and put a Notice board to prohibit people and children to enter into it. He does not share his garden with others.
